Subject: Application for Assistant IT Manager

Dear Sir/Ma'am,

I am a highly motivated professional with strong skills in Digital Marketing, Mobile App Development, AI Prompt Engineering,.

I have achieved notable individual accomplishments, including 1st prizes in PNM'O Tech Fest, reflecting my problem-solving, technical, and independent innovation skills.

Professionally, I have developed mobile apps and backend systems using Spring Boot, managed digital marketing campaigns, and overseen IT operations, consistently delivering high-quality results.

I am eager to contribute my technical expertise and creative approach, helping drive impactful solutions and continuous innovation.

Thank you for your time and consideration. I look forward to discussing how my skills can benefit your team.

Sincerely,

Amritpal Singh Dhaliwal
